"HARVEST FROM YOUR OWN BACKYARD" BY SHARIFAH NOOR ALGADRIE

Sharifah Noor ALGadrie, ex- TKgian year 1978 -1983, would share with you her experience; giving useful tips on growing vegetables at your own home.

An advocate of natural foods, Noor has successfully sowed and reaped her vegetables from her own balcony. To further enhance her interest, Noor attended Geoff Lawton's Permaculture Design Course.

Sharifah Noor, who is currently teaching at a secondary school has been an education officer since her graduation from NUS and has taught in various schools; teaching Science, Mathematics and Geography.

Noor was Chairperson of Opera Estate Primary School alumni, ran the Green Club and was in charge of the Environment Committee. She won the outstanding contribution award in 2009 and was nominated for the President's Award in 2015.
